

# Privacy Policy for Turing Discord Bot

At Turing, we are committed to protecting the privacy of our users. This privacy policy applies to our Discord bot, known as "Turing," which generates images, text, and music using artificial intelligence (AI). By using our bot, you agree to the terms and conditions of this privacy policy.

## Information Collection

Turing collects only the information necessary to provide our services to you. This includes:

- The content you generate using our bot
- Any data that you voluntarily provide to us
- Your user id in case you are an premium user

## Use of Information

The information we collect is used to improve the quality of our services and to provide you with the best possible experience. This includes:

- Personalizing your experience with our bot
- Generating content for you
- Improving the performance of our bot

We may also use your information for research and development purposes to improve our services. We will never share your information with any third party without your consent, except as required by law.

## Content Ownership

All content generated by our bot is owned by Turing. By using our bot, you agree to allow us to use, reproduce, and distribute the content generated by our bot for any purpose.

## Security

We take the security of your information very seriously. We use industry-standard security practices to protect your information from unauthorized access, use, or disclosure. However, no method of transmission over the internet or method of electronic storage is completely secure. As a result, we cannot guarantee the absolute security of your information.

## Changes to this Privacy Policy

We may update this privacy policy from time to time. We will notify you of any changes by posting the new privacy policy on our website. You are encouraged to review this privacy policy periodically for any changes.

## **Contact Us**

If you have any questions or concerns about this privacy policy, please contact us.

Last updated: 23/01/2023

By using our bot, you consent to our privacy policy and terms of service.
