

Turing Bot Terms of Service

1. Introduction

Welcome to the Turing Bot, a Discord bot that generates images, text, and music using artificial intelligence. By using the bot, you agree to be bound by these terms of service (the "Terms"). If you do not agree to these Terms, you may not use the bot.

2. Ownership of Generated Content

All content generated by the Turing Bot, including but not limited to images, text, and music, is the sole property of the bot's creators. You may not reproduce, distribute, or commercially exploit the generated content without the express written consent of the bot's creators.

3. Use of the Bot

You may use the bot for non-commercial or commercial purposes. Any content with relation to children and nsfw content is totally prohibited.

4. Disclaimer

The bot's creators make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the bot or the information, products, services, or related graphics contained on the bot for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

5. Limitation of Liability

In no event will the bot's creators be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this bot.

6. Changes to These Terms

The bot's creators reserve the right to make changes to these Terms at any time. Your continued use of the bot following any changes indicates your acceptance of the new Terms.

7. Contact

If you have any questions about these Terms, please contact the bot's creators in [our discord server](#).
